NEW!

B. Power steering and a comfort-grip steering wheel deliver feather-smooth performance

NEW!

C. Improved LED display cluster with hour meter, RPMs, and tell-tale lights

OTHERS FEAR TO VENTURE WHERE THE INDESTRUCTIBLE ROXOR GOES.

Mahindra engineers build the world's most indestructible side-by-side. While others use inferior plastic, we forge steel-body ROXOR vehicles built for a brawl. No other UTV can endure the abuse or environments we put its fortified frame and body through. And when you factor in a 55-hp Turbo Diesel engine and a 3/4-ton industry-leading payload, you have a warrior ready to conquer any situation. **WE DARE YOU TO COMPARE.**

D. Tier 4, 55-hp turbo diesel engine with 5-speed manual transmission and 2-speed 4x4 transfer case. No DPF. No Regen. No DEF. No wasted time or warranty hours.

E. Our strong suspension increases payload to 3/4 ton without sacrificing ride comfort and handling.

NEW!

F. Our cozy cabs come with improved dash-mounted vents supplying defrost, heat and AC for those long days in the field.

NEW!

G. Hard shell cab with glass windshield, shrouded side mirrors, removable soft doors, synchronized wipers and LED light bar.

HARSH WEATHER IS A BREEZE FOR ROXOR. BUT FOR YOU, WE ADDED A COZY CAB.

Our cabs are equipped with AC and heat, allowing you to stay cozy all day. For added comfort, we included 1) a glass windshield with synchronized wipers, 2) defrost, 3) shrouded side mirrors, 4) a new center console with four cup holders and holding tray, 5) a new comfort-grip steering wheel, 6) a passenger-side comfort-grip grab bar, 7) halogen headlights, and 8) low-profile LED taillights to **TAKE ON EVERY ENVIRONMENT.**

H. Stow your valuables using lockable driver and passenger underseat storage.

I. Our heavy-duty pintle and 2-inch ball hitch combo is ideal for off-road towing jobs.
